FCC ID: U6I-EWPA1PCIAA

To whom it may concern,

Our wireless product (Product name: Wireless mini PCI Card, Model number: EWPA1PCIAA) is based on country's requirement of customer to setup wireless channel. For different country, we have different country code to setup. The country code is fixed and user can't change it. The user in American can only use channel 36 to channel 48 and 149-165.

Best regards.

A handwritten signature in black ink that reads "Sun Li". The signature is written in a cursive, slightly slanted style. The "S" is large and loops around the "un". The "Li" is written more compactly.
